Thematic Meeting of the French Economic Association (AFSE):

“Frontiers in Environmental Economics and Natural Resources Management”

Toulouse, June 9-11, 2008

You are invited to submit your paper to the 2008 AFSE Thematic Meeting, organized by LERNA-TSE in Toulouse, France, June 9-11. Both theoretical and applied contributions are welcome from the following fields:

- Pollution control (tradeable permits, taxes, environmental policy, voluntary mechanisms)
- Resources (water management, exhaustible and non-exhaustible resources, energy issues, fisheries)
- Irreversibility, risk and uncertainty
- Environmental valuation (experimental economics, contingent valuation, cost-benefit analysis, other valuation techniques)
- Growth and environment
- Health and environment, food safety, agriculture and environment, spatial issues
- International and environmental issues
- Waste management and recycling
- Biodiversity
- Sustainability
- Climate change
- ...

Completed papers or detailed abstracts should be submitted in PDF format to Philippe Mahenc by e-mail at the following address: contact@afse2008.fr.

Each submitted paper should indicate the email and physical address of the corresponding author, an abstract, JEL classification and up to three keywords. Please underline the name of the presenting author.

Deadline for submission of papers is **January 15, 2008**.

Notification of acceptance will be sent by the end of February, 2008.

Organizers: Gilles Lafforgue and Philippe Mahenc
