

CONFERENCE ANNOUNCEMENT

6th IDEI - LERNA Toulouse Conference on Environment and Resource Economics*

"Environment, Finance and Corporate Behavior"

May 31, June 1-2, 2007**
Toulouse, France

The conference will bring together established as well as promising scholars to discuss the ever-increasing impact of “green concerns” and environmental regulation on corporate behaviour, and on the development of new financial instruments. Topics discussed will include:

- environmental finance,
- investors’ short-termism,
- corporate social responsibility,
- corporate’s response to environmental regulation
- voluntary environmental agreements,
- fair-trade and consumer boycotts,
- environmental risks management,

The keynote lecture will be given by Prof. Richard Zeckhauser (Harvard University).
