

RESTAURANT LE 19

“A Place, a Style, a Creative Cuisine

A refreshing style located in a richly historic atmosphere, a creative cuisine.

- . A stone's throw from the river Garonne and the Pont Neuf bridge, in the heart of old Toulouse, you will discover Restaurant le 19 tucked away in a small side street full of history in front of [the Hôtel Garonne](#).
- . This small street was originally where market stall holders sold their fresh produce transported up the river Garonne.. In keeping with the tradition the Restaurant offers a creative cuisine based on **market produce** from the local suppliers.
