Jérôme MATHIS
Curriculum Vitae (December 2007)

Contact Information and Personal Data

Toulouse School of Economics, University of Toulouse I
Manufacture des Tabacs, Aile Jean Jacques Laffont, F202
21, Allée de Brienne, F-31000 Toulouse, France
Ph.: +33 (0)5 61 12 85 57
e-mail: Jerome.Mathis@TSE-fr.eu

Citizenship: French
Marital Status: single

Affiliations and Positions

Assistant Professor, University of Toulouse I, France, 2006-Present
Member of Toulouse School of Economics, 2007-Present
Teaching Assistant at University of Cergy-Pontoise, France, Sept 2001-06

Education

2005  Ph.D. in Economics (defended on the 14th of December 2005)
at Western Paris Doctoral School in Economics and Mathematics
Decision Making, Expert's Report and Partially Verifiable Information
Advisor: Alain TRANNOY (Research Director EHESS, GREQAM-IDEP)
Members of the Committee:
Pierre PICARD (Professor, Ecole Polytechnique)
Françoise FORGES (Professor, University of Paris IX: Paris-Dauphine)
Michel LE BRETON (Professor, University of Toulouse I)
Jean-Marc TALLON (Research Director CNRS, University of Paris I)
Régis RENAULT (Professor, University of Cergy-Pontoise)

2001  Master of Science in Applied Mathematics
at Ecole Polytechnique and University of Paris VI: Pierre et Marie Curie

2000  Master of Science in Economics and Mathematics
at University of Paris I: Panthéon-Sorbonne

Research Interest

Economics of Information, Game Theory, Decision Theory, Contract Theory
Research

“Full Revelation of Information in Sender-Receiver Games of Persuasion”,
  to appear in Journal of Economic Theory

“Consulting an Expert with Potentially Conflicting Preferences”, with Thomas LANZI,
  to appear in Theory and Decision

“How to consult an expert? Opinion vs Evidence”, with Thomas LANZI, submitted

“Deliberation with Partially Verifiable Information”, submitted

“Persuasion to Multiple Audiences”, with Frédéric KOESSLER, work in progress

Teaching

2006- University of Toulouse I
  Industrial Organization (course in English), Master and PhD Program
  Macroeconomics, second year
  Macroeconomics (Endogenous Growth), third year
  Theory of Incentives (course in English), Master

2006- IPAG Paris
  Tools in Decision Theory, second year

2005-06 Lille Graduate School of Management (ESC Lille – Paris Campus)
  Business Economics (course in English), MBA

2005-06 Ecole Nationale des Ponts et Chaussées (ENPC)
  Decision and Game Theory, second year

  Descriptive Economics, first year
  Macroeconomics, first and second year
  Microeconomics, first and second year
  Continuous Optimization, second year
  Mathematics (Algebra), second year
  Mathematics (Analysis), first year

2000-01 University of Paris I: Panthéon-Sorbonne
  Microeconomics, second year
  Mathematics, first year
Seminars and Conferences Presentations

_XIIIe journées Sésame_, Caen, september 2003

Logic, Game Theory and Social Choice III (LGS3), Siena, Italy, september 2003

_Risque, Incertitude et Décision_, EUREQua, Paris I, february 2004

2nd World Congress of the Game Theory Society, Marseille, France, july 2004

11th International Conference on the Foundations and Applications of Utility, Risk and Decision (FUR XI), Paris, France, july 2004

_XIVe journées Sésame_, Pau, september 2004

Seminar Game Theory, Ecole Polytechnique, Paris, octobre 2004

LIVe Doctorales de l’ADRES, Paris, february 2005

Seminar Lunch, LEI-CREST, Ecole Nationale des Ponts et Chaussées, april 2005

Seminar Choix, Incertitude et Décision, EUREQua, Paris I, may 2005

Logic, Game Theory and Social Choice IV (LGS4), Caen, France, june 2005

The 16th International Conference on Game Theory, Stony Brook University, New York, july 2005

LIVe Congrès de l’AFSE, Paris, september 2005

Seminar Game Theory, Ecole Polytechnique, Paris, october 2005

Seminar Économie Publique et Choix Social, CREM, Université de Caen, february 2006

GREQAM Summer School, Rationality, Social Learning and Complexity, Aix-en-Provence, September 2006

Refereeing Journals

Social Choice and Welfare, Annales d’Economie et Statistiques, Economie Publique

Participation to Research Contract or Weekly Workshop

Organizer (with Wilfried SAND) of the weekly TSE workshop « Strategic Information Transmission », Toulouse, 2007-08
Member of the Research Group « Théorie des Jeux: Modélisation Mathématique et Applications », 2007-

Member of the Game Theory workshop, Ecole Polytechnique, Paris

Member of the Choice, Information and Decision workshop, EUREQua, Paris I

CNRS program « Manipulation Stratégique de l’Information », 2004-07

Member of the Microeconomics workshop THEMA, Cergy, 2002-2005

Organizer of the monthly seminar «Jeunes du THEMA», 2002-05
